Position: Ontario Licensed Funeral Director & Embalmer (Class FD1) (we will consider those looking for an internship through those with a long tenured licence status)

At Denning's Funeral Home, we believe our work is more than just a service. It's a calling. Every life has a story, and our mission is to honor and celebrate each one with dignity, grace, and unwavering compassion.

Our Culture: More Than Just Colleagues

Denning's is not just a place of work, but a sanctuary of connection. Our team members are not just colleagues – they're family. When we say we have a unique culture, it's not just a buzzword. It's the shared laughter, the shoulder we offer one another during the tough moments, and the mutual respect that connects us.
